

# TRAGABUCHES

HONESTO & ANDALUZ • DANI GARCÍA

In the summer of 1998, the first Restaurant Tragabuches was created. Its intention in that era was no other than to create the first Km0 restaurant where Andalusia would obtain all the protologism, both with due to its ingredients as well as the culture and manner of cooking. Today in 2024, 26 years later we are recovering that same philosophy; cooking Andalusian, showing the culture and the products exactly the way, they were produced back in the summer of 1998.
